# THE SOUTH WALES FOOTBALL ASSOCIATION

## FINANCE SUSPENSION REPORT as at 30 June 2019

**To all League and Club Secretaries:**

### Suspensions for Failure to Pay Disciplinary Invoices.

The Suspensions for Failure to Pay Disciplinary Invoices Report details those persons who have been suspended from all aspects of football in accordance with FAW Rule 49 i.e. 'failing to pay or carry out any penalty, sanction, order or ruling made under the Reduced Penalty Regulations or by the Judicial Panels'. These persons have been notified of the suspension and will remain suspended until such time as all outstanding orders have been cleared.

Appended below is a complete list of all players who are still under suspension because of unpaid fines over the last ten seasons from July 2009 to 30 June 2019 relating to misconduct reports. The lists are split with players/club officials being shown together in each category, 2<sup>nd</sup> list is of all players suspended sine die by the Association, the 3<sup>rd</sup> list shows clubs suspended. The clubs indicated are those for which the players/team officials were members at the time of the misconduct and the dates are those when the cases were dealt with by the disciplinary committee.

All clubs and leagues are advised that registrations CANNOT be accepted from any person whose name appears on this list until payment has been received & the person must not have active involvement with the club until it has been established with the Association Assistant Secretary (Discipline) that the outstanding fine has been paid.

If a player informs a club that he has paid his fine, ask him to produce a receipt as proof. For every fine paid a receipt is issued – either to the player if the fine is paid by him/her, or to the Club through which it is paid. In addition, a clearance note is sent to the League concerned when the fine is paid.

There is no doubt that many of the players on this list will endeavour to play for another club, probably where they are not known. This list has been produced for the assistance of all Leagues and Clubs and accordingly, **NO EXCUSES WILL BE ACCEPTED FROM ANY CLUB FOUND TO HAVE PLAYED A SUSPENDED PLAYER.** In all such cases, both club and player will be severely dealt with.

Please note that under the revised procedures in force since 2006, it is possible that players will have outstanding games of suspensions even if no fines are shown. Please therefore check previous lists carefully – it is the club's responsibility to ensure that players are eligible to play. If a player has an outstanding suspension, he/she must be registered to allow him/her to serve the suspension.

**Suspensions can only be transferred from one club to another with the prior written permission of the Association.**

**In the event of any query, Leagues or Clubs must contact this Association Assistant Secretary (Discipline) for guidance.**

**Geoff Buckingham**

**Hon Assistant Secretary (Discipline)**

- Where the same person is listed on more than one occasion, they are likely to have a further suspension to serve which cannot begin until the first fine has been paid
- A 'Rule 8' suspension means the individual is prohibited from playing until they have requested a personal hearing for their case.

## Section 1 – OUTSTANDING FINES – Players/Team Officials

All those (players and team officials) who receive fines along with touchline or match suspensions will be considered to be under suspension from all aspects of football if the fine is not paid by the expiry of the suspension.
