

THE SOUTH WALES FOOTBALL ASSOCIATION

FINANCE SUSPENSION REPORT as of 31st May 2021

To all League and Club Secretaries:

Suspensions for Failure to Pay Disciplinary Invoices.

The Suspensions for Failure to Pay Disciplinary Invoices Report details those persons who have been suspended from all aspects of football in accordance with FAW Rule 49 i.e., 'failing to pay or carry out any penalty, sanction, order or ruling made under the Reduced Penalty Regulations or by the Judicial Panels'. These persons have been notified of the suspension and will remain suspended until such time as all outstanding orders have been cleared.

Appended below is a complete list of all players and/or club officials who are still under suspension because of unpaid fines over the last twelve seasons from July 2009 to 31st May 2021 relating to misconduct reports. The lists are split with players and/or club officials being shown together in each category, 2nd list is of all players suspended sine die by the Association. The clubs indicated are those for which the players/club officials were members at the time of the misconduct and the dates are those when the cases were dealt with by the disciplinary committee.

All clubs and leagues are advised that registrations CANNOT be accepted from any person whose name appears on this list until payment has been received & the person must not have active involvement with the club until it has been established with the Association Assistant Secretary (Discipline) that the outstanding fine has been paid.

If a player informs a club that he has paid his fine, ask him to produce a receipt as proof. For every fine paid a receipt is issued – either to the player if the fine is paid by him/her, or to the Club through which it is paid. In addition, a clearance note is sent to the League concerned when the fine is paid.

There is no doubt that many of the players on this list will endeavour to play for another club, probably where they are not known. This list has been produced for the assistance of all Leagues and Clubs and accordingly, NO EXCUSES WILL BE ACCEPTED FROM ANY CLUB FOUND TO HAVE PLAYED A SUSPENDED PLAYER. In all such cases, both club and player will be severely dealt with, and we would remind all that FAW Comet Regulation 21.2 states:

“21.2 Notwithstanding any information contained on FAW COMET, or the ability of any User, Member, Club or Subordinate to undertake any action or process on FAW COMET, the provisions of the FAW Rules and Regulations ultimately prevail and it is the responsibility of any User, Member, Club or Subordinate to comply with any such provisions.”

Please note that under the revised procedures in force since 2006, it is possible that players will have outstanding games of suspensions even if no fines are shown. Please therefore check previous lists carefully – it is club's responsibility to ensure that players are eligible to play. If a player has an outstanding suspension, he/she must be registered to allow him/her to serve the suspension. **In the event of any query, Leagues or Clubs must contact this Association Assistant Secretary (Discipline) for guidance.**

Notes for reference:

- Details to the left are the case reference number.
- From this, it is possible to identify the season the offence took place.

AW-1xxx relate to 2009-10	AW-2xxx relate to 2010-11
AW-3xxx relate to 2011-12	AW-4xxx relate to 2012-13
AW-5xxx relate to 2013-14	AW-6xxx relate to 2014-15
AW-7xxx relate to 2015-16	AW-8xxx relate to 2016-17

AW-11-xxx relate to 2019-20	AW-12-xxx relate to 2020-21

- Where a date is quoted on the last column, the player is still suspended until that date.
- Recent cases may still have suspensions outstanding by way of a number of games – these will be advised on the receipt sent by the Association.
- Where the same person is listed on more than one occasion, they are likely to have a further suspension to serve which cannot begin until the first fine has been paid.
- A 'Rule 8' suspension means the individual is prohibited from playing until they have requested a personal hearing for their case.

Section 1 – OUTSTANDING FINES – Players/Team Officials

All those (players and team officials) who receive fines along with touchline or match suspensions will be considered to be under suspension from all aspects of football if the fine is not paid by the expiry of the suspension.
